100/140	1 pc/bale	16			

Pile height	6 mm
Total weight/m ²	1.85 kg/m ²
Pile weight/m ²	1.26 kg/m ²
Pile composition	75% viscose / 25% polyester
Points/m ²	820.000/m ²
Backing	Anti slip latex
Incorporated	8-frame

CARE INSTRUCTIONS

Vacuum regularly to shorten the time of the natural shedding of the fibers. Avoid direct and continuous exposure to sunlight. Turn carpet occasionally to equalize wear. Remove spills immediately, if liquid, blot with clean undyed cloth by pressing firmly around the spill to absorb as much as possible. For hard to remove stains, professional rug cleaning is recommended. Store in a dry, well-ventilated area.
